UNDERGRADUATE ONLINE, LEARNING CENTER, AND CAMPUS TUITION AND FEES—TUITION CAP PROGRAMS

Tuition for Kaplan University undergraduate online programs is \$371.00 per quarter credit hour. Books and course materials are included in the price of tuition for all undergraduate courses. Not all courses require textbooks; some use electronic instructional materials. A change in program may not constitute a change in tuition. The Kaplan University Tuition Cap is only available to first-time Kaplan University enrollees in predetermined programs, with a total cost of completion of \$22,500.00 (associate's degrees) or \$45,000.00 (bachelor's degrees). With the exception of background check and/or lab fees, tuition and fees are included in the calculation of the overall Tuition Cap program cost and will no longer be charged once the student has reached the total cost of completion. Current or returning students are not eligible for the Tuition Cap unless they were enrolled under the Tuition Cap at the time of withdrawal or approved leave of absence and meet all eligibility requirements for the Tuition Cap program. The Tuition Cap may not be used in conjunction with any Kaplan University scholarships, grants, or tuition reductions, including military spouse reductions. Military servicemembers and veterans are not eligible for the Tuition Cap and should refer to the U.S. Military Servicemembers and Military Veterans tuition and fees documents. Any questions, comments, or concerns regarding the current tuition rate and/or changes to tuition rates are to be directed to Financial Aid. Not all programs are available in all states. Check with an Admissions Advisor.

The following tuition and fee information applies to all students:

1. Subject to the Three-Day Cancellation refund provision in the Enrollment Agreement, all students are required to pay a nonrefundable application fee of \$45.00 prior to enrollment. This fee is waived for spouses and dependents (with military benefits) of U.S. military servicemembers and veterans, employees of preselected corporations and postsecondary institutions with which Kaplan University has an educational relationship, students who have completed prior coursework at a Kaplan Higher Education Campuses school, and preapproved student groups.
2. A nonrefundable deposit of \$25.00 is required at the time of re-enrollment for returning students. Once the student begins classes, the deposit will be credited to the first term's tuition.
3. All students are required to pay a \$295.00 technology fee per term (\$200.00 for military spouses).
4. All students enrolled in bachelor's and associate's degrees eligible for Kaplan University Tuition Cap pricing are required to pay a \$200.00 Tuition Cap Administration Fee per term, which covers the administration and processing of students within Cap-eligible programs.
5. Tuition and fees are subject to change after 30 days' advance notice. See the current University Catalog/Addendum for an explanation of the Refund Policy.
6. Tuition payments can be made at the following website: kaplanuniversity.edu. Log on to KU Campus and select the "Make Payment" link.
7. A \$10.00 fee will be added for all returned checks.
8. Tuition is payable in full every term.
9. Failure to return library materials to Kaplan University or any of its partner libraries will result in a financial obligation to Kaplan University and may result in postponement of registration for a new term or graduation.
10. Instructional materials must be returned unused within 14 days from the date the student notifies the University of cancellation of enrollment. The student will be responsible for payment of any bill received for instructional materials not returned.
11. Upon enrollment, students must attest to high school graduation or equivalent. The University may require students to present actual proof of graduation or its equivalent as part of its verification process. If Kaplan University is required to obtain this proof of graduation on the student's behalf, there will be a \$10.00 fee charged to the student's account.
12. Advanced start enrollees: Students must furnish an official transcript indicating receipt of a comparable associate's degree or bachelor's degree from a college or university accredited by a regional or national accrediting agency recognized by the U.S. Department of Education by the last day of the first term. If this document is not submitted by the last day of the first term, the student will be withdrawn from the University and blocked from reentry until it is provided or the student changes his or her program of study to one that does not require proof of graduation. Furthermore, all Title IV financial aid or any state or institutional funding must be refunded to the appropriate source, and the student will be responsible for payment of these funds to the original source or to Kaplan University.
13. Students enrolled in **EL 203** will pay a \$1,500.00 course fee. This nonrefundable fee will be collected as follows: 50% after add/drop week and 50% upon submission of a portfolio for evaluation. Students who withdraw from the course after add/drop week, withdraw from Kaplan University before completing the course, fail the course, or do not submit a portfolio after completion of the course will not be charged the remaining \$750.00.
14. A fee of \$100.00 is required for each course assessment taken.
15. A fee of \$10.00 is charged for each copy of an official transcript. A \$2.00 shipping and handling fee will be charged if the receiving school is unable to accept electronic delivery. Additional fees are as follows: notarized, \$30.00; rush delivery, \$25.00. Students will receive one free copy of their official diploma. Additional fees are as follows: duplicate/replacement, \$25.00 (free if damaged in shipment or printed with errors); notarized, \$30.00; apostille, \$100.00.
16. Students outside the United States or U.S. Territories will be responsible for the cost and the shipment of instructional materials including returns and payment of customs duties or fees.
17. Students enrolled in a **criminal justice or fire science program** are required to submit documentation of a criminal background check by the sixth week of the first term to give time to process by the end of the term (the fee is \$49.00 and is the responsibility of the student, where applicable, if he or she passes the background check).
18. Background check and/or lab fees are not included in the Tuition Cap.
19. Students enrolled in the **Open College @ Kaplan University course LRC 100** before their first day as a first-time, degree-seeking student of Kaplan University will pay a \$100.00 assessment fee when they submit their portfolio for evaluation provided that the portfolio is submitted by the end of their first term. First-time, degree-seeking students who do not meet this requirement and returning students will pay a \$1,500.00 assessment fee when they submit their portfolio for evaluation. This fee is nonrefundable and not covered by financial aid.
20. Students with transfer credit should refer to the Tuition Cap Transfer Credit Table on the reverse to determine their total cost of attendance.
21. **Cancellation of Enrollment Agreement:** Three-Day Cancellation—An applicant who provides written notice of cancellation within three days (excluding Saturday, Sunday, and federal and state holidays) of signing an enrollment agreement is entitled to a refund of all monies paid.
